

# **Curriculum Vitae – Ali Ajimoey**

## **Personal Details:**

Name: Ali Ajimoey Email: people.menschen@gmail.com

Place of Residence: Germany

## **Career Objective**

Experienced electrician's assistant in the fields of industrial electrical systems, building electrical technology, and electrical installation, with hands-on experience in the planning and wiring of switchgear and distribution boards for both small and large-scale projects—including residential buildings and large government office buildings. I possess solid foundational technical knowledge, demonstrate strong willingness to learn, am highly motivated to continuously improve my skills, and am ready to contribute to the execution of electrical projects.

## **Summary of My Skills – What I Can Do:**

- Understanding and practical implementation of electrical installations in small residential buildings and single-family homes
- Performing basic electrical engineering calculations, cost estimates, and independently managing small-scale electrical projects for single-family homes.
- Planning and assembling distribution boards in smaller buildings. Wiring, as well as installation of switches, sockets, and lighting systems. Knowledge of electrical safety regulations. Practical welding skills at an intermediate level

## **Education in Germany:**

Training in Building Electrical Technology (1.5 years completed of a 3-year vocational training program – not completed):

- Practical training in building electrical installation technology and in the assembly of distribution boards. Knowledge of electrical equipment and fundamental standards in the field of building electrical systems

## **Work Experience in Germany:**

Electrician's Assistant – Building Electrical Technology and Electrical Installation (2 years)

- Assisted in carrying out electrical installations
- Supported planning and wiring of distribution boards
- Performed assembly and installation of electrical components
- Assisted in basic troubleshooting of electrical systems
- Gained 2 years of hands-on experience in the above-mentioned areas

## **General Education & Languages:**

- School education: Up to 9th grade
- German: B2 | English: A2

## **Personal Attributes:**

Hardworking, responsible, reliable, and well-organized. Highly interested in professional development and continuous learning. In my free time, I engage in web design and working with specialized software.
